GRAND JURY RAPS FILIPINO HABITS

The Circuit Court began its November term last Wednesday morning, and the trial jury will begin the hearing of cases tomorrow.

The Grand Jury met on the first day and worked a part of the second day, finally bringing in the following report, which speaks for itself:

"Your Grand Jurors duly called and empanelled for the present term of this court, do hereby respectfully present our report as follows:

"After having been duly sworn and Mr. Danford been duly appointed by Your Honor as our foreman, we retired to our room and elected Mr. Mahlum as our clerk, whereupon we proceeded to hear evidence in the following cases with the result as indicated hereunder:

"Ter. of Hawaii vs. Carrie Titcomb, assault with a weapon obviously and imminently dangerous to life. True bill found.

"Ter. of Hawaii vs. Antonio David, abuse of a female child under twelve years of age. True bill found.

"Ter. of Hawaii vs. Feliciano, alias Cresceniano Normandia, and Roman Tomalo, baryeny in the first degree. No Bill found.

"Ter. of Hawaii vs. Jose, Felipe and Suarez, assault with a weapon obviously and imminently dangerous to life. True bill.

"We would call the attention of Your Honor to the fact that the crimes committed by the Filipinos have become so menacing to the welfare of the public in general that we would request Your Honor that severe punishment be imposed against all or any of the parties hereto indicted."

The report is signed by William Danford, foreman; E. E. Mahlum, clerk; F. R. Tracey, E. de Lacey, R. D. Israel, A. D. Hills, S. W. McKeula, Geo. Huddy, J. R. Myers, W. H. Wright, D. E. Baldwin, H. Rohrig, Louis E. Seghorn, Luther Waimau, Simon J. Aiu and O. Blackstad.

Dr. Kuhns Arrives

Dr. J. M. Kuhns, lately physician at the Queen's hospital in Honolulu, arrived in the Kinau Wednesday morning to take up his duties as government and plantation physician at Kealia, succeeding Dr. Hoffman, who has gone to the island of Hawaii. He was accompanied by Mrs. Kuhns.

Rev. Dr. Wm. H. Fry is visiting the island on Methodist church mission work.

Mrs. H. T. Barelay arrived in the Kinau Wednesday morning to join her husband, who is the new manager of Kealia store.

FIRST BUSINESS OF CIRCUIT TERM

In the Circuit Court the eminent domain case against Annie S. Knudsen, et al., has been continued for the term by stipulation of attorneys for the parties at Honolulu.

In the ejectment case of John Bryant vs. E. M. Paukei, et al., the time to plead was extended for three months.

Domingo Lahu vs. James Werner, trespass, will come up tomorrow. The ejectment matter of H. P. Faye vs. Garden Island Honey Co., Ltd., was passed for the term.

On the criminal calendar the case of the Territory vs. Joseph Louis, larceny, second degree, will be called for trial tomorrow. This case will be followed by that of the Territory against Narciso Luna, charged with assault and battery.

In the case of Feliciano alias Cresceniano Normandia and Ramon Tomalo, defendants were discharged on account of no true bill being found against them.

One naturalization case will be heard during the week, that of Jose Cardona Soto, a native of Spain.

Army Officer Here

First Lieutenant G. J. Gonser, of the First Infantry, U. S. A., stationed at Schofield, Oahu, arrived at Lihue in the Kinau Wednesday morning to become permanently stationed here as instructor of the Fourth Infantry, National Guard. Mrs. Gonser will arrive in December. The Lieutenant will assist in the general work of regimental and battalion headquarters and will institute lines of field work not yet undertaken here. Lieutenant Gonser is a New Yorker and has had many years of experience in the army.

Japanese Celebrate

The Japanese of Kauai entered with due zest into the celebration of the birth anniversary of the Mikado on Tuesday. Exercises were held in the principal Japanese settlements, and from each emanated parades of spectacular character. It was a holiday generally for the Japanese of the island.

Sergeant A. C. Cockett, who is connected with the hospital corps of the Fourth Infantry as instructor, returned Wednesday morning from Honolulu where he took an examination for a lieutenant's commission. It is rumored that he scored high, but nothing will be definitely known until the papers have been gone over in the east.

FILIPINOS BEAT UP A MAKEE LUNA

Last Wednesday morning at about 8 o'clock in a field back of the Kaula mill Louis Conradt, section luna of the Makee Sugar Company, was unexpectedly set upon by three Filipinos and badly beaten up. The names of the three men are Jose, Felipe and Suarez. It is alleged that they clubbed the luna over the head until he was almost helpless, then tied him up and beat him. A Chinaman came to the rescue and he also was beaten and forced to retreat—receiving ugly bruises over the back.

The Filipinos were arrested and the following day, in Lihue, the grand jury returned an indictment against them of assault with weapons obviously and imminently dangerous to life. They will be tried before a jury tomorrow or as soon thereafter as practicable.

The impression has been advanced by persons close to the facts that the assault was probably not initiated by the Filipinos themselves, but that they were put up to it by another luna—this other luna being close to the scene of the trouble at the time.

TRYING TO SAVE BIG COFFEE CROP

The following rather remarkable story is from the Hilo Tribune:

So great is the Kona coffee crop this year that there is a danger that much of it may be lost, and over in Kona it is suggested that the members of the National Guard of Hawaii in this county be called out to help save this valuable crop.

"I don't see how we will be able to save our coffee crop this year unless we call out the militia," remarked Lieut. Julian Yates, of Company H, N. G. H., yesterday, speaking of the labor famine in Kona.

As it is, it is probable that the schools of that district will all be closed for a time and the children, or at least those large enough to work, will be set to picking the coffee berries. Record prices are now being paid for this work in Kona this year and as high as eighty-five cents a bag is paid the pickers.

Quite a number of the coffee planters have automobiles scouring the district for pickers, bringing them from their homes as far away as ten miles to pick and taking them home at night. Good pickers are getting \$1.50 a day, which is over 100 per cent more than in former years.

The drill grounds used by the National Guard can no longer be used for drills, as they are now utilized for drying the pulp coffee berries, at both Napoosoo and Keala-kekua.

The Captain Cook Coffee Company has turned most of its mill men into the fields and has supplied their places in the mill with men who are not such good pickers. Everything possible is being done to save the crop, which is large, of fine grade, but which ripened suddenly.

More Jurors Called

Nine of the trial jurors summoned for the current circuit term were excused, making it necessary to draw others. The following will be required to appear: Chang Yau, Thomas R. Neal, Andrew K. Leofiki, Gustav Hackbarth, Manuel Bryant, George Akana, G. W. Mahikoa, Manuel Abreu and A. G. Hime.

The barkentine Labaina will sail from Port Allen tomorrow for the Sound.

JAPANESE KILLS SELF WITH POISON

Iwasaki, Japanese, married, wife and one child, aged 41, employed by Grove Farm and living at Halehaka, Lihue, took bichloride of mercury early Saturday afternoon with suicidal intent and died in the Lihue hospital at 5 p. m. of the same day.

A postmortem examination revealed the fact that he was suffering from ulcers of the stomach and could not have lived more than a few days anyway.

A coroner's jury, empanelled on the case, inquired carefully into the facts yesterday morning and returned a verdict that death was due to the poison taken.

UTILITIES AND KAUI TELEPHONE

The Public Utilities Commission has issued its Report No. 3, in the matter of the investigation into the affairs of the Kauai Telephonic Company, at the conclusion of which the following order is given:

"Therefore, the Commission orders that the Kauai Telephonic Company:

"1. Set aside each year as a Depreciation Reserve four per cent of the value of the tangible capital.
"2. Amplify and elaborate their system of accounts sufficiently to show accurate figures on all the items enumerated in "(b) Other Requirements."
"3. Render annually, during the month of July, a complete financial statement of the previous year.

"The Company must also observe the rules of discrimination. No telephone company should make different rates to subscribers for the (Continued on Page 6).

THE FINAL RALLY

The Republican campaign on Kauai came to a grand finale in Lihue Social Hall last evening when all of the candidates except Mr. Kula and Mr. Lota appeared. The principal addresses were by Hon. J. H. Coney and Chas. H. Wilcox, the latter making an especially strong appeal for the entire ticket. H. D. Wishard presided at the meeting. Music was supplied by the Lihue band and a Hawaiian orchestra. A. G. Kaulukou officiated as interpreter, and represented the candidates who were unavoidably kept away.

Tip Top Opening

Attention is called to the announcement on page 6 of the opening of the Tip Top Cafe, which will take place this evening, the feature being a fine dinner menu.

Philip Rice Returns

Mr. and Mrs. Phillip Rice returned to their home in Lihue Wednesday after an absence of nearly two and a half years, during which Mr. Rice took a final course in the great law school at Chicago. At Honolulu Mr. Rice was admitted to practice in all the courts of the Territory.

In the Circuit Court plea will be made on Thursday in the case of the Territory vs. Antonio David, statutory crime. A. G. Kaulukou has been assigned to defend the accused in this case.

It is a historical fact worthy of local memory that the new Tip Top theater will open tomorrow on the anniversary of the opening of the big Lihue store.

The schooner Roy Summers arrived yesterday from Gray's Harbor with a cargo of lumber for the Kauai Railway Co.

OPENING OF THE TIP TOP THEATER

Several announcements appearing in this issue indicate the opening of the beautiful Tip Top theater in Lihue tomorrow evening.

It had been the hope of Mr. Rohrig and the enterprising folk behind him in this up-to-date theatrical troupe, but, owing to the lack of such in the islands at present, this was found to be impossible.

Mr. Fernandez has, however, secured the picture featuring Geraldine Farrar, the Metropolitan star, in "Maria Rosa," a powerful picture drama, laid in Spain, which, with other features, will form the opening bill. The program will start at 7:40.

Many people have already inspected the new theater, but to the hundreds who have not a revelation is in store tomorrow evening.

There will not be a show Thursday evening, Friday evening the same program will be put on for the accommodation of those unable to obtain seats the first night.

Saturday evening at the same place the bill will be "The Fool's Revenge," of which a Honolulu paper recently said:

The Hawaii theater continues the popular exhibition of Fox master-piece films, a service that has large drawing powers and consistently packed houses. The Hawaii is playing to the large crowds which follow Fox. The Fool's Revenge, the current Fox Hawaii offering, presents a new pair of artists in the persons of Maude Gilbert and William H. Tooker, both new to Honolulu and both already prime favorites.

The story of "The Fool's Revenge" is most unusual and deals with the efforts of a former circus clown, later a man of wealth to revenge himself on the man who ruined the home of the clown and led the latter to murder his wife. The clown plans to break up the home of his enemy through the aid of another man who covets the enemy's wife. The clown aids in kidnapping the woman only to learn that a serious mistake has been made and that the kidnapped woman is none other than his own daughter. It is a thrilling story powerfully told.

The Kinau left a day early for Honolulu at the weekend, going down on Friday in place of Saturday.

The case of the Territory vs. Carrie Titcomb, assault and battery, will come up for hearing in the Circuit Court on Friday.

COMMISSIONERS WILL ALL SERVE

Messrs. Larsson, Judd and Rivenburgh, the Honolulu end of the commission appointed by the Kauai Chamber of Commerce to investigate the matter of a summer park site in Waima valley, have all accepted and express their willingness to come over at any convenient time and go over the land with the local members of the committee (J. H. Moragne, W. E. Davis and Guy Rankin). Mr. Moragne, who has been designated as chairman of the committee, has expressed a desire that the investigation be completed in the next few weeks on account of the proximity of bad, winter weather, so that something will doubtless be doing in the next ten days or two weeks.

The committee is to look into every phase of the question, including number of sites available, water, forestry protection, roads, etc., and to make recommendations to the Chamber of Commerce as to how the camp site should be controlled and managed.

As has already been stated the lease on this mountain land expires December, 27, 1917, when the property will pass back into the control of the government. It is necessary that a definite plan be shaped out before February in order that the Legislature may be able to proceed intelligently in its part of the work.

Port Allen Shipping

The power schooner R. P. Rithet arrived at Port Allen Friday from San Francisco via Honolulu, bringing 900 tons of freight. She left again yesterday for Kaanapali, Maui, not taking any freight from this island.

The Matson steamer Hyades arrived yesterday afternoon from the coast via Honolulu, bringing 500 tons of freight. She will take 14,000 cases of pineapples from the Kauai Fruit & Land Company's factory.

Rev. and Mrs. Hans Isenberg, F. Weber and wife, Miss Lulu Weber and Mr. and Mrs. H. Rohrig formed a luncheon party to "try out" the Tip Top cafe at noon yesterday. The cafe will be in full blast for the opening of the theater tomorrow evening.

James D. Dougherty, T. J. Fitzpatrick and T. A. O'Brien are among the Honolulu business men touring the island.
